Management's Statement

The Executive Board and Board of Directors have today considered and adopted the Annual Report of Weco Shipping A/S for the financial year 1 January - 31 December 2020.

The Annual Report is prepared in accordance with the Danish Financial Statements Act.

In our opinion the Financial Statements and the Consolidated Financial Statements give a true and fair view of the financial position at 31 December 2020 of the Company and the Group and of the results of the Company and Group operations for 2020.

In our opinion, Management's Review includes a true and fair account of the matters addressed in the Review.

We recommend that the Annual Report be adopted at the Annual General Meeting.

Independent Auditor's Report

To the Shareholder of Weco Shipping A/S

Opinion

In our opinion, the Consolidated Financial Statements and the Parent Company Financial Statements give a true and fair view of the financial position of the Group and the Parent Company at 31 December 2020 and of the results of the Group's and the Parent Company's operations for the financial year 1 January - 31 December 2020 in accordance with the Danish Financial Statements Act.

We have audited the Consolidated Financial Statements and the Parent Company Financial Statements of Weco Shipping A/S for the financial year 1 January - 31 December 2020, which comprise income statement, balance sheet, statement of changes in equity and notes, including a summary of significant accounting policies, for both the Group and the Parent Company ("the Financial Statements").

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the Financial Statements" section of our report. We are independent of the Group in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and the additional requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Statement on Management's Review

Management is responsible for Management's Review.

Our opinion on the Financial Statements does not cover Management's Review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read Management's Review and, in doing so, consider whether Management's Review is materially inconsistent with the Financial Statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether Management's Review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, in our view, Management's Review is in accordance with the Consolidated Financial Statements and the Parent Company Financial Statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement in Management's Review.

Independent Auditor's Report

Management's responsibilities for the Financial Statements

Management is responsible for the preparation of consolidated financial statements and parent company financial statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, Management is responsible for assessing the Group's and the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the Financial Statements unless Management either intends to liquidate the Group or the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's and the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.

Independent Auditor's Report

- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the Financial Statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's and the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and contents of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that gives a true and fair view.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Management's Review

Key activities

The primary activity of the Group is shipping operations.

Development in the year

The income statement of the Group for 2020 shows a loss of TUSD 12,603, and at 31 December 2020 the balance sheet of the Group shows equity of TUSD 79,036.

The result was significantly impacted by Covid-19, and a total of TUSD 10.457 vessel impairments and reservations on loss giving contracts.

The past year and follow-up on development expectations from last year

Results for 2020 were in line with the expectations expressed in the Annual Report for 2019 negatively impacted by Covid-19. Especially MPP and RoRo vessels suffered from poor market conditions, and as a result of lower TC levels on time charters entered in 2020, a total of TUSD 9,176 impairments were taken on four MPP vessels and one RoRo vessel. A further TUSD 1.281 reservation for loss giving contract on TC vessel Frijsenborg was taken in 2020, before the RoRo vessel can be redelivered to owners end April 2021. Weco Tankers as a new product tanker operator were impacted by a very challenging product tanker market since Weco Tankers started operations in May 2020, and as a result reported a loss of TUSD 1.675 for the year. Weco Bulk delivered a strong TUSD 4.362 result in a year where also the dry bulk market was impacted by Covid-19.

Operating risks and financial risks

Market risks

Revenues from the shipping operations are linked to global market trends, which through demand fluctuations affect freight rates as well as prices of vessels and fuel. Management continuously assesses the extent to which it is relevant to take measures against these market fluctuations, e.g. through long term contracts.

International provisions imply that in case of a maritime accident that results in oil or chemical spillage, the Group will be imposed heavy financial liabilities in terms of the clean-up work. To reduce this risk, the widest possible insurance coverage has been taken out, comprising environmental and pollution coverage, coverage of the value of vessel and cargo, liability coverage as regards third parties and war risk insurance.

Foreign exchange risks

Most of the income from shipping activities is in USD and EUR with most operational expenses as well as financial expenses being in USD, and administrative expenses being in USD and DKK.

Management's Review

Interest rate risks

The interest rate risk on floating-rate loans is to a limited extent hedged by interest rate swaps converting the floating interest rate to a fixed interest rate

Targets and expectations for the year ahead

Management expects strong results from owned Dry Bulk vessels as well as Weco Bulk in 2021, with a dry bulk market which has started the year strong. Management also expects improved TC levels on MPP vessels as current Covid-19 impacted time charters expire over the summer, and management expects Weco Tankers to increase activity and take advantage of a tanker market which could improve towards the end of the year. Overall management expects both growth in revenue and improvements in results in 2021.

Research and development

The Group is not involved in research and development activities.

External environment

The Group is focused on a high level of quality and safety as an important element of the operation and has a strong focus on energy efficient ships as well as optimization of fuel consumption to reduce the carbon footprint.

Intellectual capital resources

Through retention and recruitment of new competences, as well as through cooperation, alliances and education, the intellectual capital resources which are major parameters in the development and perfection of new services increase.

The Group has defined goals, positions and strategies that systematically strengthen the value creation and form the basis of the Group's innovative skills, just as it is important to the future success of the Group to attract and retain well-educated employees who identify with the stated core values. Therefore, heavy investments are made to continuously improve the qualifications of both the land-based and offshore staff of the Group.

Annual performance reviews are held with all employees. During the reviews, the employees' goals, plans for the future and career opportunities are discussed and planned.

Management's Review

Statement in compliance with section 99 (a) of the Danish Financial Statements Act

Please refer to the Group's CSR description disclosed in the annual report for Weco A/S 2020 (Cvr. no.: 29622868).

Statement in compliance with section 99 (b) of the Danish Financial Statements Act

Target for the Board of WECO Shipping A/S

In 2019 WECO Shipping A/S set a target to have 40% women on the Board of Directors by 2024. Being a company managed directly by the owners and given the development of the business, it has not been possible for WECO Shipping A/S to either add or occupy one of the five positions of the Board with a woman. In general, there are not many female candidates available, and further the general assembly and the owners have not seen the need to make adjustments to the current board leading to that there are still only men on the Board at the end of 2020.

Policy for increasing the number of women on other management levels

WECO Shipping A/S has less than 50 employees and are consequently not required to author and report upon a policy to increase the number of women on other management level

Uncertainty relating to recognition and measurement

Recognition and measurement in the Annual Report have not been subject to any uncertainty.

Subsequent events

No events materially affecting the assessment of the Annual Report have occurred after the balance sheet date.

Notes to the Financial Statements

18 Deferred income

Deferred income consists of payments received in respect of income in subsequent years.

19 Contingent assets, liabilities and other financial obligations

Rental agreements and leases

The Group has entered into operating lease agreements with a total future lease payment of tUSD 349 (2019: tUSD 780)

The Group has entered into operating rental agreements with a total future rental payment of tUSD 2,522 (2019: tUSD 2,460)

Contigent liabilities

The Group's contractual obligations relating to short-term chartering of vessels total tUSD 132.920 (2019: tUSD 102,551).

Other contingent liabilities

The Parent Company has given notice of support on going concern to some of the subsidiaries.

As part of the ordinary shipping operations, the Group regularly receives claims from customers. The individual claims are provided for in the Financial Statements based on an individual assessment.

At the withdrawal from the tonnage tax regime, a tax liability totalling tUSD 7,900 is incumbent on the Group.

The group companies are jointly and severally liable for tax on the jointly taxed incomes etc of the Group. The total amount of corporation tax payable is disclosed in the Annual Report of Weco A/S, which is the management company of the joint taxation purposes. Moreover, the group companies are jointly and severally liable for Danish withholding taxes by way of dividend tax, tax on royalty payments and tax on unearned income. Any subsequent adjustments of corporation taxes and withholding taxes may increase the Company's liability.

Notes to the Financial Statements

21 Accounting Policies

The Annual Report of Weco Shipping A/S for 2020 has been prepared in accordance with the provisions of the Danish Financial Statements Act applying to large enterprises of reporting class C .

The accounting policies applied remain unchanged from last year.

Consolidated and Parent Company Financial Statements for 2020 are presented in TUSD. Applied US Dollar exchange rate on the 31 December 2020 : 605,76 (2018: 667,59).

With reference to section 96(3) of the Danish Financial Statements Act the fee to the auditors appointed at the general meeting has not been disclosed.

Cash flow statement

With reference to section 86(4) of the Danish Financial Statements Act and to the cash flow statement included in the consolidated financial statements of Weco A/S, the Company and the Group have not prepared a cash flow statement.

Recognition and measurement

Revenues are recognised in the income statement as earned. Furthermore, value adjustments of financial assets and liabilities measured at fair value or amortised cost are recognised. Moreover, all expenses incurred to achieve the earnings for the year are recognised in the income statement, including depreciation, amortisation, impairment losses and provisions as well as reversals due to changed accounting estimates of amounts that have previously been recognised in the income statement.

Assets are recognised in the balance sheet when the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when the value of the liability can be measured reliably.

Assets and liabilities are initially measured at cost. Subsequently, assets and liabilities are measured as described for each item below.

Basis of consolidation

The Consolidated Financial Statements comprise the Parent Company, Weco Shipping A/S, and subsidiaries in which the Parent Company directly or indirectly holds more than 50% of the votes or in which the Parent Company, through share ownership or otherwise, exercises control. Enterprises in which the Group holds between 20% and 50% of the votes and exercises significant influence but not control are classified as associates.

Notes to the Financial Statements

21 Accounting Policies (continued)

On consolidation, items of a uniform nature are combined. Elimination is made of intercompany income and expenses, shareholdings, dividends and accounts as well as of realised and unrealised profits and losses on transactions between the consolidated enterprises.

The Parent Company's investments in the consolidated subsidiaries are set off against the Parent Company's share of the net asset value of subsidiaries stated at the time of consolidation.

Minority interests

Minority interests form part of the Group's total equity. Upon distribution of net profit, net profit is broken down on the share attributable to minority interests and the share attributable to the shareholders of the Parent Company. Minority interests are recognised on the basis of a remeasurement of acquired assets and liabilities to fair value at the time of acquisition of subsidiaries.

On subsequent changes to minority interests where the Group retains control of the subsidiary, the consideration is recognised directly in equity.

Leases

Leases in terms of which the Group assumes substantially all the risks and rewards of ownership (finance leases) are recognised in the balance sheet at the lower of the fair value of the leased asset and the net present value of the lease payments computed by applying the interest rate implicit in the lease or an alternative borrowing rate as the discount rate. Assets acquired under finance leases are depreciated and written down for impairment under the same policy as determined for the other fixed assets of the Group.

The remaining lease obligation is capitalised and recognised in the balance sheet under debt, and the interest element on the lease payments is charged over the lease term to the income statement.

All other leases are considered operating leases. Payments made under operating leases are recognised in the income statement on a straight-line basis over the lease term.

Translation policies

Transactions in foreign currencies are translated at the exchange rates at the dates of transaction. Exchange differences arising due to differences between the transaction date rates and the rates at the dates of payment are recognised in financial income and expenses in the income statement. Where foreign exchange transactions are considered hedging of future cash flows, the value adjustments are recognised directly in equity.

Notes to the Financial Statements

21 Accounting Policies (continued)

Receivables, payables and other monetary items in foreign currencies that have not been settled at the balance sheet date are translated at the exchange rates at the balance sheet date. Any differences between the exchange rates at the balance sheet date and the rates at the time when the receivable or the debt arose are recognised in financial income and expenses in the income statement.

Fixed assets acquired in foreign currencies are measured at the transaction date rates.

Hedge accounting

Changes in the fair values of derivative financial instruments that are designated and qualify as hedges of expected future transactions are recognised in retained earnings under equity as regards the effective portion of the hedge. The ineffective portion is recognised in the income statement. If the hedged transaction results in an asset or a liability, the amount deferred in equity is transferred from equity and recognised in the cost of the asset or the liability, respectively. If the hedged transaction results in an income or an expense, the amount deferred in equity is transferred from equity to the income statement in the period in which the hedged transaction is recognised. The amount is recognised in the same item as the hedged transaction.

Segment information on revenue

Information on business segments and geographical segments based on the Group's risks and returns and its internal financial reporting system. Business segments are regarded as the primary segments.

Income Statement

Revenue

Revenue is recognised in the income statement when delivery and transfer of risk to the buyer have been made before year end.

Vessel operating costs

Vessel operating costs comprise the raw materials and consumables consumed to achieve revenue for the year.

Other external expenses

Other external expenses comprise expenses for premises, sales and distribution as well as office expenses, etc.

Staff expenses

Staff expenses comprise wages and salaries as well as payroll expenses.

Notes to the Financial Statements

21 Accounting Policies (continued)

Amortisation, depreciation and impairment losses

Amortisation, depreciation and impairment losses comprise amortisation, depreciation and impairment of intangible assets and property, plant and equipment together with gains and losses on the sale of property, plant and equipment.

Other operating income and expenses

Other operating income and other operating expenses comprise items of a secondary nature to the main activities of the Group.

Income from investments in subsidiaries and associates

The items “Income from investments in subsidiaries” and “Income from investments in associates” in the income statement include the proportionate share of the profit for the year.

Financial income and expenses

Financial income and expenses are recognised in the income statement at the amounts relating to the financial year.

Tax on profit/loss for the year

Tax for the year consists of current tax for the year and changes in deferred tax for the year. The tax attributable to the profit for the year is recognised in the income statement, whereas the tax attributable to equity transactions is recognised directly in equity.

The Company is jointly taxed with Danish subsidiaries. The tax effect of the joint taxation is allocated to Danish enterprises in proportion to their taxable incomes.

The Group is comprised by the tonnage tax regime.

Balance Sheet

Intangible assets

Goodwill acquired is measured at cost less accumulated amortisation. Goodwill is amortised on a straight-line basis over its useful life, which is assessed at 3 years.

Property, plant and equipment

Property, plant and equipment are measured at cost less accumulated depreciation and less any accumulated impairment losses.

Notes to the Financial Statements

21 Accounting Policies (continued)

Cost comprises the cost of acquisition and expenses directly related to the acquisition up until the time when the asset is ready for use.

Depreciation based on cost reduced by any residual value is calculated on a straight-line basis over the expected useful lives of the assets, which are:

Vessels	2-25 years
Other fixtures and fittings, tools and equipment	3-10 years

Depreciation period and residual value are reassessed annually.

Impairment of fixed assets

The carrying amounts of intangible assets and property, plant and equipment are reviewed on an annual basis to determine whether there is any indication of impairment other than that expressed by amortisation and depreciation.

If so, the asset is written down to its lower recoverable amount.

Investments in subsidiaries and associates

Investments in subsidiaries and associates are recognised and measured under the equity method.

The items “Investments in subsidiaries” and “Investments in associates” in the balance sheet include the proportionate ownership share of the net asset value of the enterprises calculated on the basis of the fair values of identifiable net assets at the time of acquisition with deduction or addition of unrealised inter-company profits or losses and with addition of the remaining value of any increases in value and goodwill calculated at the time of acquisition of the enterprises.

The total net revaluation of investments in subsidiaries and associates is transferred upon distribution of profit to “Reserve for net revaluation under the equity method” under equity. The reserve is reduced by dividend distributed to the Parent Company and adjusted for other equity movements in the subsidiaries and the associates.

Subsidiaries and associates with a negative net asset value are recognised at USD 0. Any legal or constructive obligation of the Parent Company to cover the negative balance of the enterprise is recognised in provisions.

Notes to the Financial Statements

21 Accounting Policies (continued)

Fixed asset investments

Other investments, recognised as fixed asset investments, consist of shares that are measured at their fair value at the balance sheet date.

Inventories

Inventories consists of bunkers and lube oil and are measured at the lower of cost under the FIFO method and net realisable value.

Receivables

Receivables are recognised in the balance sheet at amortised cost, which substantially corresponds to nominal value. Provisions for estimated bad debts are made.

Prepayments

Prepayments comprise prepaid expenses concerning charter, insurance premiums, etc.

Equity

Dividend

Dividend distribution proposed by Management for the year is disclosed as a separate equity item.

Deferred tax assets and liabilities

Deferred income tax is measured using the balance sheet liability method in respect of temporary differences arising between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes on the basis of the intended use of the asset and settlement of the liability, respectively.

Deferred tax assets are measured at the value at which the asset is expected to be realised, either by elimination in tax on future earnings or by set-off against deferred tax liabilities within the same legal tax entity.

Deferred tax is measured on the basis of the tax rules and tax rates that will be effective under the legislation at the balance sheet date when the deferred tax is expected to crystallise as current tax. Any changes in deferred tax due to changes to tax rates are recognised in the income statement or in equity if the deferred tax relates to items recognised in equity.

Notes to the Financial Statements

21 Accounting Policies (continued)

Current tax receivables and liabilities

Current tax liabilities and receivables are recognised in the balance sheet as the expected taxable income for the year adjusted for tax on taxable incomes for prior years and tax paid on account. Extra payments and repayment under the on-account taxation scheme are recognised in the income statement in financial income and expenses.

Financial debts

Debts are measured at amortised cost, substantially corresponding to nominal value.

Deferred income

Deferred income comprises payments received in respect of income in subsequent years.
